

Thinking of Studying Abroad?

Benefits of Studying Abroad

1. Experience a Different Culture
2. Learn a New Language
3. Networking and Meeting New People
4. Strengthening your Resume

Choosing the Right Program

1. Location: Figuring out where you want to explore!
 2. Language: Are there any requirements ?
 3. Type of Program (major, credits, etc.)
 4. Housing & Cost (check out any available scholarships and ask your school if your aid can be used!)
